Principal's Page Making Disciples For Life

Faith is the belief that God is real and that God is good...It is a choice to believe that the one who made it all hasn't left it all and that he still sends light into the shadows and responds to gestures of faith... Faith is the belief that God will do what is right.

God says that the more hopeless your circumstances, the more likely your salvation. The greater your cares, the more genuine your prayers. The darker the room, the greater the need for light.

God's help is near and always available, it is given to those who seek it.

God's Inspirational Promise Book

We thank all the grandparents who visited today. I got to spend time with many of them and learn the rich history of the Mattoon community. I hope they enjoyed the time spent with the students, singing, and lunch!

Blessings,
Mr. Schmidt
