We are living in a world that is absolutely transparent, and God is shining through it all the time. This is not just a fable or a nice story. It is true. These past weeks show us it is true. The beauty of the night sky and a full moon providing additional light along with the glistening stars..the smile and joy on the children's faces as they watch the first of the snow fall softly to the ground.. If we abandon ourselves to God and forget ourselves, we see it sometimes, and we see it maybe frequently. God shows himself everywhere, in everything; in people's lives - such as our students - and of things in nature. It becomes very obvious that God is everywhere and we cannot be without Him. It's impossible. Thank you students for sharing in the joy of a simple snowflake. How can we not see God?

Blessings,
Mr. Schmidt

Is there a parent interested in talking about the school on the radio? Please let us know! On December 7, at 8am we will be on Antigo's WATK/WACD station.

You are invited to attend Chapel services every Wednesday at 8:10, when school is in session. Chapel service is held in the gymnasium. All community members are welcome.
