Family Lessons from the WISEMEN

The story of the wise men, also known as the Magi, who visited Jesus shortly after his birth is a familiar one to many people. While the details of their visit are not described in great detail in the Bible, there are a few key lessons that come from their story that can be applied to your family. Here are some biblical parenting tips based on the story of the wise men:

1. Seek wisdom and guidance from God. The wise men were seeking the "King of the Jews," and they followed a star to find him.
2. Be persistent in pursuing your goals. They did not give up!
3. Make a habit of worshipping God. When the wise men finally found Jesus, they "fell down and worshiped him."
4. Offer gifts to God and others.
5. Be open to learning and growing.

The story of the wise men provides several valuable lessons for families. By seeking wisdom and guidance from God, being persistent in pursuing our goals, showing reverence and respect for authority, offering gifts to God and others, and being open to learning and growing, we can be more effective and further our growth as families.

Blessings,
Mr. Schmidt

Happy Epiphany!

Menu:
Mini Corn Dogs
Green Beans
Fruit Cup

PARENT-TEACHER LEAGUE

We are inviting all parent of Shepherds Watch Christian Academy to be part of our League. We work together with the staff to plan field trips and school activities. PTL will help with the cost by fundraising. You can join our group using the QR code below.
