### Building Faith in the Hearts Of Our Children

This February has been a month of change...snow, cold, fog, bare ground, warm temperatures!

The maple trees are providing sap..earlier than ever I've been told. As the clear liquid travels from the roots, up the trunk, to the branches. Eventually the leaves will appear. Change...the majestic tree branches spread in unison to the heavens, praising the Lord in only a way they can.

We take comfort in knowing the only thing that doesn't change is God! His promises have been and will be fulfilled. He will always love his children, each and every day!

Blessings,  
*Mr. Schmidt*
