## Friday Note

“Dear friends, let us continue to love one another, for *Love* comes from *God*.

Anyone who loves is a *Child of God* and knows God.”

### Building Faith in the Hearts Of Our Children

It all begins with God's love. In case we ever forget this basic, essential fact of our faith, 1 John makes it crystal clear. God is the source and the definition of love. God *is* love. God loves as the sun shines: love expresses who God is. If we love others as God has loved us, there can be no boundaries. God's love, made visible and present in Jesus, is the source for the love we share with others. Jesus ignored the limits that religious communities imposed. He ate and talked with people whom the religious leaders had rejected as heretics, as sinful, as filthy and despicable. He touched people who were considered untouchable and welcomed people whom everyone else had kicked out. His harshest words were reserved not for the impure, but for unloving, self-righteous people who saw some of God's children as beneath their attention and certainly as unworthy of their love. If Jesus shows us what God's love is like, then there can be no doubt how far our love for others must extend: to every single human being.
