Building Faith in the Hearts  
Of Our Children

Watch a small boy follow his dad through the snow. He stretches to step where his dad stepped. Not an easy task. His small legs extend as far as they can so his feet can fall in his father's prints.

The father, seeing what the son is doing, smiles and begins taking shorter steps, so the son can follow.

It's a picture of discipleship.

In our faith we follow in someone's steps. A parent, a teacher, a hero - none of us are the first to walk the trail. All of us have someone we follow.

In our faith we leave footprints to guide others. A child, a friend, a recent convert. None should be left to walk the trail alone.

It's the principle of discipleship.

Thank you Mrs. Hoffman for sharing your knowledge in the dairy field! We have enjoyed watching chicks hatch from eggs, making ice cream, & even making cheese!  
And there's more to come!

By this all people will know that you are my disciples, if you have love for one another."  
John 13:35
