Friday Note

Building Faith in the Hearts Of Our Children

Take a moment to think about the habit of prayer in your life. Is prayer a regular part of your life, or is it something you don't really pay attention to?

As Paul is closing out his letter to the church in Colossae, one of the things he reminds them of is the importance of prayer. For Paul, prayer is more than just asking God for what he needs. Prayer is the way Paul's energy and ministry is sustained. Prayer is a source of God's power for Paul.

We need to make prayer a part of our entire day, not just in the morning or evening. Be devoted to prayer, being watchful and thankful.

Being watchful of what's happening in our life. We can ask the Holy Spirit to help us discern what God is doing in and around us. Make us aware of His work. Use time in prayer to worship God through thanksgiving and gratitude.

Prayer is a vital aspect of the Christian life. Spend time in prayer, make it a central part of your life.

God is good!
